### Successful Applicants for EAE (ITE Courses)

 For those who have accepted the EAE offer and your N- Level results meet the Minimum Entry Requirements, your offer will be automatically confirmed.

 You will not be able to participate in other ITE grades-based admissions exercises, e.g. Joint Intake Exercise (JIE)

## Successful Applicants for EAE (ITE Courses)

In the event you have accepted the EAE offer but you are eligible for DPP/PFP, what can you do?

- You can still apply for DPP/PFP.
- Those who receive a DPP offer will be required to decide between the DPP or ITE EAE offer. The DPP offer will be automatically confirmed and ITE EAE offer released if the student does not decide by a stipulated deadline.
- As applications to the PFP open in January, students with confirmed ITE EAE or DPP offers may progress to ITE first before applying for PFP when applications open. They may then subsequently withdraw from ITE if they receive a PFP offer.

# **Key Pointers for Students on ITE's Joint Intake Exercise (JIE) for Admission to Nitec Courses**

ALL N(T) students and N(A) students (who are not progressing to 5N(A) or repeating 4N(A)) are eligible for JIE.

Keen competition for Nitec and Higher Nitec courses, so use all 12 choices wisely!

Participation in Main Phase is key to secure a place in ITE!

If you are keen in the work & learn option, you may consider applying for the ITE Traineeship programme. Do apply in the Main Phase to avoid missing a place in ITE!

If you are unsuccessful in EAE, make sure you apply in Main Phase to avoid missing a place!

If you have received an additional letter, then you are eligible for the Enhanced Foundation Programme.

If you are eligible for EFP, make sure you apply for the 2-year Nitec and 3-year Higher for EFP!

The EFP helps to build the necessary literacy and numeracy foundations that will enable you to successfully complete your Nitec course!

If you are counter-offered a course, accept it first before appealing for another course you may be more interested in!

# Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the N-Level is one part of your life journey and not the destination.

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision and take action based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.
